## Recommended Remedy:

I'm sorry to hear about your child's swollen leg. Swelling in a child's leg can be a concerning symptom that may require medical attention. It's important to consult a healthcare provider as soon as possible to determine the cause and appropriate treatment. If there is pain, redness, warmth, or the swelling is severe, do not delay in seeking medical help.

If you're looking for guidance on how to handle swelling in a child's leg at home, I recommend contacting your healthcare provider for advice tailored to your child's specific situation.
